

Operation Fuel, Inc.

WE'RE ALL PART OF THE OPERATION.

You can help people who are struggling to help themselves. They're your Connecticut neighbors – families who may be limited-income, working poor, disabled or elderly. Most don't qualify for state or other aid and are unable to heat their homes. Your tax-deductible donation to Operation Fuel will help keep a family warm during the cold winter months.

Operation Fuel is a private, nonprofit program that provides one-time emergency energy assistance to thousands of people each year through its statewide network of fuel banks.

Give Hope – Be a Part of the Operation

Through a special community contributions fund, CL&P and Yankee Gas will match 50¢ for every \$1 contributed, up to the first \$400,000 we receive from customers.

Please, be part of the operation. Give hope. Use this form to make your pledge, or call 866.855.8686 to sign up.

Thank you.

The Northeast Utilities System

Here's How You Can Help Operation Fuel Help People

- **Enroll in the automatic donation program.** Complete this coupon and return it with your bill payment to have a monthly donation for Operation Fuel automatically added to your bill. You may have this charge removed whenever you choose.
- **Enclose a separate check,** payable to Operation Fuel, with your bill payment. To donate directly, go to operationfuel.org.

All money collected through the donation program, 100 percent, is used to help Connecticut residents.
