

# Where Your 17.6¢/kWh Goes

## Energy \$ense

If you're a CL&P customer as well as an employee, here's a breakdown of the 17.6 cents for each kilowatt-hour (kWh) of electricity you use.

**4.7¢/kWh\*** goes to CL&P for delivery of energy

**12.9¢/kWh\*** is passed along to others for the cost of generation, renewable energy programs and FMCC charges

**Connecticut  
Light & Power**

The Northeast Utilities System

Energy for a Changing World™

\* Reflects CL&P average rates per kilowatt-hour (kWh) as of July 1, 2009
