

Where Your 18.7¢/kWh Goes

Energy \$ense

If you're a CL&P customer as well as an employee, here's a breakdown of the 18.7 cents for each kilowatt-hour (kWh) of electricity you use.

4.6¢/kWh* goes to CL&P for delivery of energy

14.1¢/kWh* is passed along to others for the cost of generation, renewable energy programs and FMCC charges
