

# 2011 RESIDENTIAL HIGH EFFICIENCY HEATING AND COOLING SYSTEM REBATE

Valid for customers who purchase a qualifying high efficiency heating and/or cooling system installed March 1, 2011 through February 29, 2012. All rebate requests must be postmarked no later than March 31, 2012. Total incentive cannot be more than 50% of the total installation cost of the qualifying high efficiency heating and/or cooling system.

**TO RECEIVE YOUR REBATE, READ THE PROGRAM REQUIREMENTS ON REVERSE BEFORE PROCEEDING.**

**INSTRUCTIONS:** Please fill out this form completely and mail it to the address below. You must include a copy of the contractor's invoice, listing the condenser, coil and fan model and serial numbers, the purchased equipment type, the AHRI certificate verifying system as a **MATCHED ASSEMBLY** and a copy of your recent electric utility bill. A matched assembly is a model combination that is listed in the AHRI Directory of Certified Equipment. A matched assembly shall also include the air handler; furnace; or other component that is used to determine the rating according to ANSI/AHRI STANDARD 210/240-2008. These items must accompany each incentive Application.

# 2011 RESIDENTIAL HIGH EFFICIENCY HEATING AND COOLING SYSTEM REBATE

**ELIGIBILITY:** Incentives are available to all CL&P and UI residential electric service customers. Equipment must be installed by a licensed contractor in the service territory of the participating electric utility. Eligible systems are: **electric central air conditioning and air source heat pump systems with MATCHED ASSEMBLIES in which both the condenser unit and the evaporator coil are installed simultaneously.** A matched assembly is a model combination that is listed in the AHRI Directory of Certified Equipment. A matched assembly shall also include the air handler; furnace; or other component that is used to determine the rating according to ANSI/AHRI STANDARD 210/240-2008.

**APPLICATION OFFER:** This program covers products purchased and installed on or after March 1, 2011 through February 29, 2012. Details of this program, including incentive levels, are subject to change or cancellation without prior notice. This Application with required documentation must be postmarked by March 31, 2012. Please call 1-877-WISE-USE for details.

**PROOF OF PURCHASE:** A contractor's invoice listing the date of purchase, condenser, coil and fan model and serial numbers, the purchased equipment type and make, the AHRI certificate (a published manufacturer's certificate indicating the installed assembly was tested under AHRI test conditions and includes the SEER, EER and COP ratings is acceptable in lieu of the AHRI certificate) verifying system as a matched assembly, and your recent electric utility bill must accompany each incentive Application.

**APPLICATION:** This Application must be filled out completely, truthfully and accurately. The Customer and Contractor must each sign the completed Application and it must be submitted along with the Proof of Purchase requirements listed above.

**PAYMENT:** Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. **Please Call EFI at 1-877-364-4217 if you have any questions about your rebate incentive.**

**APPROVAL AND VERIFICATION:** CL&P and UI reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the system installed under this Program prior to issuing incentives for up to one year after date of application.

**TAX LIABILITY:** CL&P and UI will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebate incentives.

**ENDORSEMENT:** CL&P and UI do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this program.

**LIMITATION OF LIABILITY:** CL&P and UI's liability is limited to paying the rebate incentive specified. CL&P and UI are not liable for any consequential or incidental damages, or for any damages in tort connected with or resulting from participation in this program.

**OWNER'S CERTIFICATION:** Owner certifies that he/she has purchased and installed the equipment listed on the other side of this Application at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and equipment requirements listed.

**WARRANTIES:** CL&P AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. CL&P and UI makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the heating and/or cooling system or services provided by a manufacturer, contractor or vendor. Contact your Contractor for details regarding equipment performance and warranties.

**FORWARD CAPACITY MARKET AND CLASS III CREDITS:** By signing this document and as a condition to receiving a rebate pursuant to this program, customer hereby assigns to its participating electric utility, either CL&P or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to customer's participation in the Residential High Efficiency Heating and Cooling Rebate Program. Customer hereby assigns to either CL&P or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either CL&P or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

In accordance with the Department of Public Utility Control's ("DPUCs") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, (as supplemented by the Department February 11, 2010 decision in Docket No. 05-07-19RE02), customer is not to receive or retain any Class III renewable energy credits in connection with the High Efficiency Heating and Cooling Incentive Program and Customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their customers through the Connecticut Energy Efficiency Fund. In the event that the DPUC amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either CL&P or UI (as the case may be) shall be the allocation in effect (per the applicable DPUC decision) on the date that the Customer submitted its Rebate Application documents to either CL&P or UI (as the case may be).

Customer further acknowledges and agrees that customer is not to retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to customer's participation in the High Efficiency Heating and Cooling System Incentive Program and any and all such benefits or credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their customers through the Connecticut Energy Efficiency Fund.
