TERMS AND CONDITIONS

Application Offer: This program covers products purchased and installed on or after January 1, 2009 through March 1, 2010. Details of this program, including incentive levels, are subject to change or cancellation without prior notice. This Application with required documentation must be postmarked by **March 31, 2010**. Please call 1-877-WISE-USE for details.

This offer is valid for residential CL&P or UI customers only.

Eligibility: Incentives are available to all CL&P and UI residential electric service customers. Equipment must be installed by a licensed contractor in the service territory of the participating electric utility. Eligible systems are: electric heat pumps (air source) and electric central air conditioning. All split systems must be matched and AHRI¹ rated as such in order to meet program requirements.

Proof of Purchase: An invoice itemizing the purchased equipment and a copy of a recent electric utility bill must accompany each incentive Application. The contractor's invoice copy must indicate the equipment type, make and model numbers and the date of purchase.

Application: This Application must be filled out completely, truthfully and accurately. The Customer and Contractor must each sign and submit the completed Application along with the invoice and a copy of a recent electric utility bill.

Payment: Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. Please Call EFI at 1-877-364-4217 if you have any questions about your rebate incentive.

Approval and Verification: CL&P and UI reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the system installed under this Program, prior to issuing incentives, for up to one year after date of application.

Tax Liability: CL&P and UI will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebate incentives.

Endorsement: CL&P and UI do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this program.

Limitation of Liability: CL&P and UI's liability is limited to paying the rebate incentive specified. CL&P and UI are not liable for any consequential or incidental damages, or for any damages in tort connected with or resulting from participation in this program.

Owner's Certification: Owner certifies that he/she has purchased and installed the equipment listed on the other side of this Application at the defined location. Owner agrees that all information is true and that he/she has conformed to all program and equipment requirements listed.

Warranties: CL&P AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. CL&P and UI makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the unitary central air equipment or services provided by a manufacturer, contractor or vendor. Contact your Contractor for details regarding equipment performance and warranties.

ISO-NE Capacity Payments: By signing this document and as a condition to receiving a rebate pursuant to this program, customer hereby assigns to its participating electric utility, either CL&P or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to customer's participation in the Residential HVAC Incentive Program. Customer hereby assigns to either CL&P or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either CL&P or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

In accordance with the Department of Public Utility Control's ("DPUCs") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, Customer is not eligible to receive or retain any Class III conservation credits in connection with the Residential HVAC Incentive Program and Customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their customers through the Connecticut Energy Efficiency Fund. In the event that the DPUC amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either CL&P or UI (as the case may be) shall be the allocation in effect (per the applicable DPUC decision) on the date that the Customer submitted its rebate application documents to either CL&P or UI (as the case may be).
