CUSTOMER CERTIFICATION AGREEMENT

(PLEASE READ CAREFULLY)

CUSTOMER SIGNATURE REQUIRED	DATE	INSTALLATION DATE
-----------------------------	------	-------------------

THE FOLLOWING IS NOT APPLICABLE TO RATE 116 CUSTOMERS

I certify that I have purchased and installed the indicated energy-saving products on or after January 1, 2011 for use in the Location listed above and not for resale. I have attached the itemized proof of purchase (sales slip or invoice, including model numbers of Programmable Photocells, etc.). I agree to a verification by a CL&P representative of both the sales transaction and product installation and also allow CL&P access to pre- and post-monitor the installation. Falsifying any of the above information will void this rebate application and any future rebate applications. I agree that to qualify for 100% of the rebate or account credit, I must be receiving a substantial amount of electricity needed by the facility where the lighting equipment is installed, via CL&P distribution equipment, otherwise the incentive will be prorated by multiplying the full incentive by the percentage of the facility's total electrical needs that are delivered via CL&P distribution equipment.

REBATE REQUIREMENTS

APPLICATION OFFER: This rebate program covers products purchased and installed on or after January 1, 2011. Details of this program and rebate levels are subject to change without prior notice. Contact your CL&P representative for the latest program details. Programmable Photocells must be installed on or before December 31, 2011. Applications must be submitted within 60 days of completion of the installation of the Programmable Photocells. Availability of funding is not guaranteed. The CL&P reserves the right to cap incentive amounts.

ELIGIBILITY:

- a. Rebates are available to outdoor and street lighting (Rate 116 and Rate 117) customers of CL&P for existing installations.
- b. Programmable Photocells installed during group relamping are **not eligible** for incentive.
- c. Rate 116: CL&P will provide and install Programmable Photocells.
- d. Rate 117: The Customer will provide and install Programmable Photocells.
 - i. Any Programmable Photocell used must be approved by CL&P, **but CL&P's approval does not constitute a warranty or guarantee by CL&P as to quality, fitness for use or the merchantability of any manufacturer's programmable photocell.**
 - ii. Any Programmable Photocell or other equipment must be installed per the requirements of Rate 117. This includes the qualifications for contractors and municipal employees.

PAYMENT: Rebates will be paid by check or credit to the customer account as indicated on the face of this form. CL&P reserves the right to apply rebates to unpaid or overdue accounts. Please allow 120 days for the check. Payments will not be processed if the form is incomplete.

REBATE AMOUNT: In no case will CL&P pay more than \$51.16 per installed Programmable Photocell.

PRE-APPROVAL and VERIFICATION: (**Applicable to Rate 117 only**) Rebates exceeding \$1,000 may be post-inspected by an authorized CL&P representative. Additionally, CL&P reserves the right to inspect any installation prior to issuing rebates.

REBATE LEVELS:

- a. Rate 116 will be confirmed upon receipt of internal CL&P documentation.
- b. Rate 117 Rebate levels will be confirmed upon receipt of detailed invoices stating quantities, installed wattage and/or part numbers, along with post-inspection results where applicable.

TAX LIABILITY: CL&P will not be responsible for any tax liability imposed on the customer as a result of the rebate payments. All customers must supply their federal tax identification number in order to receive a rebate. CL&P will issue a Form 1099 to all unincorporated customers receiving rebates in excess of \$600.00.

ENDORSEMENT: CL&P does not endorse any particular manufacturer, product, or system design in promoting the Midnight Option lighting rebate program.

HOLD HARMLESS: If you select the Midnight Turn-Off Option for any street light or security light, then you will hold harmless and indemnify CL&P and its affiliates from all property damage and personal injury of any kind resulting from your decision to do so.

PRODUCT REQUIREMENTS:

U.L. LISTING: Items eligible for a rebate must be U.L. listed.
