Be a Good Neighbor

The Good Neighbor Energy Fund is a cooperative effort that assists customers who need help paying their energy bills but do not qualify for federal or state energy funds. More Massachusetts families than ever will need energy assistance this winter. You can help by making a one-time donation or by participating in our Add-A-Dollar program.

Add-A-Dollar

Choose to pledge \$1 to \$10 per month; your contribution to the Fund will appear on your monthly electric bill, and we will match 50 percent of every dollar donated.

Learn more about the Good Neighbor Energy Fund by visiting www.wmeco.com.

If you or someone you know needs assistance, please call 1.800.262.1320 or visit www.magoodneighbor.org.
